Summer Newsletter 2021

'The building blocks of life'

What a busy school year we have had! The children have been fantastic in adapting to changes in routine throughout the Coronavirus pandemic. They have shown great resilience and deserve a fabulous summer holiday, where they can enjoy some normality again. We would also like to thank you for supporting us through one of the toughest years. You have all been amazing, with adhering to social distancing at the door, following our one-way system, waiting while we do the temperature checks and most of all continuing to use our club.

We have been enjoying the UEFA Euros recently, the children have been making lots of football related crafts and watching some of the matches on the big screen in our room. The children have been keen to get involved with the score sheet by noting the scores and which teams have been knocked out of the competition. It has been great to see so many children involved and a notable excitement in the air.

Holiday Club

We have planned some exciting activities for all six weeks of the school holidays, including crafts, outdoor activities and cooking. We can't wait to get started. Our themes will be- Jungle/Rainforest, Summer, Under the Sea, Roald Dahl, On the Farm and Children's Movies.

If you are booked in with us during the holidays, please bring a change of clothes, sun protection and a sun hat. Please also ensure that all items are labelled and in your child's bag. Packed lunch bags can be used again in holiday club and drinks are available throughout the day.

Website

We have been working hard on a new website for our club. We have added some new features such as the ability to download requirement forms and view newsletters. Please check the website for regular updates and information.

Our website address is www.westparkdaynursery.co.uk

Don't forget to like our Facebook page 'West Park Out of School Club' this is updated regularly with photos of the crafts and activities we have been enjoying in club and any important updates.

Staff Training and Development

We are always ensuring our training is up to date, we access our online training library regularly, as well as attending local authority training sessions and briefings. Recently, our staff have attended a County Lines workshop, had training in Mental Health Awareness, Special Educational Needs and Allergies.

Safeguarding: A polite reminder that children must not bring any devices into the setting that have a camera, or are able to connect to the internet, this is to ensure both children and staff are safeguarded effectively. We also politely ask that you please refrain from using your mobile phones around the setting when dropping or collecting your child/children from the club.

Allergies & Medical Conditions: If your child/children have any allergies or medical conditions, it is vitally important that you make us aware of these, to enable us to provide your child/children with the best possible care. We are also a **no nut** setting.

Payments:

It is your responsibility to collect your invoice from the setting at the start of the month, even if your child is not booked in until after this date, as they are always made available for you to collect.

Please note that all invoices must be paid by the **10th** of the month in which care is being provided. If we have not received your payment by this date, we may send you a polite reminder by text message. A 10% late payment charge **will automatically** be added onto your invoice the following month if your invoice remains outstanding after the reminder.

Failure to pay invoices on time could risk your child's place with us.

If you are paying by childcare vouchers these need to be submitted by the seventh day of the month in order for them to reach us in time, this allows 3 days for them to be processed.

If you or your children have any brilliant ideas for fun things to do in the club or should you need to contact us for any reason, you can reach us by:
